

## How to play

1. Draw or write down your DREAM at the top of the staircase.
2. Think about three actions you can take to make your dream happen.
3. Among those actions which one will you do first, second and third? Draw them next to the stair or write them within the steps.
4. Congratulations! Now you know the key steps that will lead you to your dream.

### TIPS

- Feel free to add more steps if you'd like!

**NAME:**

Connect the dots and have a look. Do you notice something strange? Is the stair going up or down?
